We thank the Government of the Republic of Germany for partnership and collaboration with the Government of Uganda.

To Veridos GmbH thank you for your technical expertise and all your contributions.

The Board, management and staff of USPC we are grateful to you for getting this project off the ground.

To my colleagues, management and Staff of UPPC, I am proud of you for supporting this project.

I thank you all our guests for gracing this function. We as UPPC look forward to a continuous close working relationship with USPC, all MDAs and relevant stakeholders - to deliver on our mandate as a public printing and publishing corporation.

Once again, I would like to thank our Minister, the Hon. Minister Milly Babalanda and His Excellency, Ambassador of Germany and every one of you for honouring UPPC and USPC in today's ground breaking event for a modern security printing factory.

God bless you!

For God and my Country.
