PRESS RELEASE

Kampala, November 15, 2017

**RE: POSTPONMENT OF THE THIRD UGANDA LIVESTOCK & HERITAGE SHOW
(ISHAAZI 2017) IN KAMPALA**

The Ministry of Agriculture, Animal Industry and Fisheries (MAAIF), in conjunction with the Organizing Committee of *The Uganda Livestock & Heritage Show (ISHAAZI 2017)*, the Kampala Capital City Authority (KCCA), Uganda National Farmers Federation (UNFFE) and Livestock Development Forum (LDF) is regrettably informing you that the Show has been postponed due to an outbreak of the Foot and Mouth Disease (FMD) in some districts from which farmers were supposed to exhibit their animals.

The Show was to be held from November 17th to 19th, 2017, at KCCA Grounds Lugogo, Kampala.

The Committee will meet with its partners to discuss a future date for the Show. Once the date is fixed a new press release will be issued to inform the public and stakeholders.

We apologize for any inconvenience that this decision may cause to all stakeholders.

Thank you and kind regards
